

2 LEVELS **OF** **HOUSE POSSESSION**

1. **DEMONIC INFESTATION** - *When the demon begins to surround the victims environment.* Affecting objects, animals and houses.

2. **DEMONIC OPPRESSION** - *When a demonic entity intermittently attaches itself to its victim.* It has the ability to oppress and depress, anger and sadden an individual. These attacks can escalate physically by pushing, tugging, leaving scratches, bruises, bites, leaving claw marks on the body in 3's. They can also attack through sickness and accidents.
